### Chicken Ranch Mission Statement

I came to Fort Worth in search of new life for my son, Mikey, who was diagnosed with Acute Lymphocytic Leukemia (ALL) at age two. He received a stem cell transplant in April 2007 at Cook Children's Medical Center. Mikey was released in August 2007 after months of fighting for his life. During his desperate fight I decided to stay in this wonderful city. Fort Worth gave me the best gift ever, my son's life!

The Chicken Ranch is our way to celebrate our lives & a way for me to give back to you Fort Worth. Our mission is to provide you with a dining experience that will leave you wanting more. When you walk into the Chicken Ranch please be welcomed like family, taste our culinary excitement & enjoy some down-home Texas hospitality.
